# KEYNOTE SPEAKER: FRITZI GROS-DAILLON

**Fritzi Gros-Daillon** is a successful entrepreneur and savvy veteran in Senior Move Management, Environmental Consulting and Aging in Place Home Safety and Modification. Her Master's in Business from Columbia University, combined with Certified Senior Advisor designation and Certified Aging in Place Specialist, gives her the experience, perspective and expertise to work with older adults and families when the decisions about home modification or moving need to be faced.

Her first book, *"Grace and Grit: Insights to Real Life Challenges of Aging for Adult Children and their Parents"* really tells of Fritzi experience as a long-distance caregiver and professional in the senior move management/ aging in place field.
